

How Y&D Adds Value

Digital Marketing

We developed a proven Funnel Strategy that drives highly targeted leads to your business.

Funding

Y&D is connected to more than 30 Private Equity Firms and Venture Capital firms and has established relationships to Private Investors and Family Offices.

Network

We've created a network of 16.000 + students and entrepreneurs out of the UK, Germany, Switzerland and Canada.

Manufacturing

Y&D has established a close partnership to a Chinese Manufacturing Company that focuses on sustainable and environmentally friendly Prototype Development and mass production.

Insights

Due to our close relationship with McKinsey, the support of the Fuel X Ignition club and our network of executives, we can give you relevant insights.

Facts and Figures

\$8.2B

The highest potential revenue we've generated for a single company **within a 4 months period.**

3.3 X

We've increased the valuation of the startup Blockchain Applications AG by **3.3X** from 4,5 to 15M €.
